

Ethical Purchasing Policy

This policy is intended to ensure that MHL Hotel Collection sources products ethically and consistently while working with suppliers to improve their social and environmental practices.

MHL Hotel Collection supply chain management processes ensure products are manufactured and sourced responsibly. We intend to develop and maintain ethical supplier relationships, based on mutual benefit and focused on a shared commitment to meet our customers' requirements.

We are committed to working with our key suppliers of products to ensure that adequate standards are maintained in all areas.

The Policy is based on the following principles –

1. Safe Working conditions.
2. Promotion of Good Health.
3. Non – excessive working hours.
4. Employees are paid at least a minimum wage.
5. Diversity, equality good workforce practices are encouraged.
6. Elimination of child labour.
7. Elimination of inhuman treatment.
